ABOUT ME

I am a driven and fast-learning individual with a passion for technology and innovation. Currently enrolled in a Level 3 IT course, I am developing skills in areas such as networking, cybersecurity, and software development. I'm known for being a good communicator and a reliable team player, and I'm always eager to take on new challenges and grow both personally and professionally.

INTERESTS

In my free time, I enjoy working on small coding projects that help me explore new programming languages and improve my problem-solving skills. I'm also an avid gamer, where I develop strategic thinking and teamwork through competitive gameplay. Additionally, I play football regularly, which keeps me active and reinforces discipline and collaboration.

- Business - Grade 3
- Science - Grade 4

JOB EXPERIENCE

Digital Innovators

06/2025 | Coventry

I completed a work-readiness programme where I built skills in teamwork, communication, problem solving and project delivery. I helped develop and present a group solution to a real-world challenge, which boosted my confidence. CV workshops, mock interviews and feedback improved my employability, and the experience made me more resilient, self-aware and ready for work or further study in a digital world.
